

MRSB working with your municipality in a time of change

We understand the changes that communities are faced with and we will help you:

- ★ Stay competitive
- ★ Explore economic development opportunities
- ★ Address infrastructure needs
- ★ Engage stakeholders
- ★ Plan and make strategic decisions
- ★ Annexation and amalgamation considerations
- ★ Action your priorities

We know strong communities matter and are equipped to help you achieve your goals

“

...working with MRSB we ended up getting back money we would have never received otherwise...

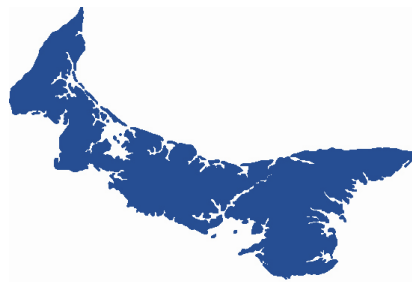

...the best I've ever been involved with...

...help guide us on a continued path to grow and success...

...consistently deliver expertise and professionalism...

...the entire process was insightful and impactful...

”
